## Did You Know?

**M**other's Day, celebrated in many countries, originated in the early 20th century. It was conceived by Anna Jarvis in 1908 in the United States as a day to honor mothers. Inspired by her own mother's activism, Jarvis campaigned for a national holiday. By 1914, President Woodrow Wilson proclaimed the second Sunday in May as Mother's Day, a tradition that continues to honor maternal figures worldwide.

### May Birthstone

**Emerald.** It is emerald's appearance and color that make this gemstone instantly recognized. A variety of the beryl species, this famous green gem has long been associated with eternal spring, new life, and healing.
